(1) Excludes Intercompany Transactions

- (i) **Cash & Equivalents** were R\$90.3 million in the end of the 2Q 2019, compared to R\$20.4 million in the 1Q 2019. The impact mostly reflects the debt amortization with financial institutions and the sale of partnership loan.
- (ii) **Investment Entity Portfolio.**
 - a. Corporate loan of R\$598.4 million to União de **Lojas Leader**, a retail company undergoing operational turn-around. The credit recovery will depend on business capacity to implement such turn-around. The total remained stable.
 - b. Corporate loans and marketable securities in **BR Pharma**, a pharmaceutical retail company undergoing operational turn-around. During the quarter the total assets reduced at nil due to the absence of perspectives of operational continuity of the company in connection with the bankruptcy petition granted to BR Pharma.
 - c. **B&A** is a mining company to develop and explore opportunities in this sector. Total assets remained stable during the quarter in R\$12.1 million.
 - d. **Fazendas Timber** consists of land properties, dedicated to management and commercial activities inherent to the eucalyptus and pine plantation. The total assets decreased during 2Q 2019 due to fair value adjustments.

- e. Equity investment of R\$116.1 million in **BR Pec**, an agricultural / ranching company that is focused on production of soy, corn and cattle. The operations are focused on improving productivity levels. PPLA Investments owns 100% of the asset. The decrease in asset value from 2Q 2019 was mostly due to the interest accrual in the company's debt, and a fair value adjustment of the company's assets.
 - f. **Other Assets** inside Merchant Banking portfolio consist of over ten smaller investments across different sectors.
- (iii) PPLA Investments also carries other private equity assets, under **Invest at Fair Value – OCI**, which are mainly held via investment funds, such as UOL and CCRR, among other investments. During the 2Q 2019, the total balance decreased from R\$ 612.5 million in 1Q 2019 to R\$ 550.7 million in 2Q 2019 due to the sale of Estre.
- (iv) **Loans and Receivables** consists of R\$275.1 million of partnership loans and R\$10.2 million of other loans. The decrease in the quarter was mostly due to the sale of partnership loans.
- (v) **Financial Liabilities**
- a. Liabilities to Financial Institutions consist in several long-term loans, most of them with Brazilian financial institutions. The total amount decreased 23.0% from the last quarter due the conversion of R\$175.9 million of a loan into equity, as explained in the “relevant events” section.
 - b. Medium Term Notes: PPLA Investments has issued notes to finance its operations over the last 4 years. The total amount increased 34.6% from the last quarter due the issuance of new notes.
